Dear Skaters and Parents,

We are now able to offer either a refund or a credit for priority registration. With priority registration you can pick the day and session you desire, and you can either mail in your balance or pay the day of class. Remember that your skater must have a current membership with ISI in order to attend classes next fall. ISI memberships may be renewed at [www.skateisi.org](http://www.skateisi.org). Your other option is to receive a refund by mail. Contrary to our previous plan, we are unable to offer a walk-in refund session at this time.

Skaters who were registered for Thursday lessons will receive a refund or credit for two classes. Skaters who were registered for Saturday or Sunday lessons will receive a credit or refund for three classes. Skaters who were registered for the exhibition or competition may also receive a refund. Skaters who were registered for the group exhibition number will received a partial refund so we can cover the coaches' fees for the rehearsal classes they taught. Please mail or e-mail request to the address above.

We hope you and your families are staying safe and healthy during these uncertain times. As soon as it is possible we will post our 2020 – 2021 lesson schedule on our website at [www.mercerskatingschool.com](http://www.mercerskatingschool.com).

Take Care,

Cathy & Paula  
Skating Directors
